Scholarships

From each season, five outstanding student leaders will be chosen to each receive a \$1,000 scholarship to be used upon high school graduation at the university, college, or trade school of his or her choice. We offer scholarships to outstanding students to encourage excellence and to keep them facing forward in their academic careers, encouraging them to complete higher education and become the best leaders they can be. The scholarships will not necessarily be awarded to the persons with the greatest level of musical prowess. Of course, talent and hard work are valuable in the decision process, but as much as any other factor, we are interested in a student's leadership among her peers, his attitude towards receiving instruction and following directions, her willingness to be a team player, his ability to be a peacemaker within and beyond the group. Many factors—including that of dependability, self-discipline, and commitment to the task at hand—will determine our scholarship winners.

Who we are

The San Antonio Youth Chorale (SAYC) is a multicultural, community-based student choir dedicated to excellence, leadership development, and service to others.

Here, you will find a warm, welcoming, like-minded circle of friends who challenge and encourage each other to discover and share musical talent while reaching out to the community and touching lives with our song.

Our Vision: Recognizing and affirming the strong educational and developmental value of choral training, the vision of SAYC is for every student in the San Antonio Region to have the opportunity to participate in a healthy, vibrant student choir during their adolescence.

Our Mission: The mission of the San Antonio Youth Chorale is to make a positive difference in the lives of students and their communities by engaging them cross-culturally in choral experiences and service projects emphasizing excellence in all areas, leadership development, and lending help to others.

SAYC regularly participates in major YouthCUE choral events in the region, including the Baylor University Festival of Youth Choirs with the Baylor Symphony.

In search of 50 select singers ages 13-18!
